- B. The successful Bidder shall execute an agreement in Kerala stamp paper worth Rs.200/- with the Managing Director, Rubber Park India (P) Ltd within 5 (Five) days from the date of work Order after remitting the performance guarantee as per Sl.No.7 below.

5. RIGHT OF ACCEPTANCE

Rubber Park reserves the right of rejecting any or all bids wholly or partially without assigning any reasons whatsoever.

6. DOCUMENTS TO BE SUBMITTED

- a. Signed Quotation notice and Forms.
- b. Signed Price Bid.
- c. Experience certificate of similar works carried out in the last 3 years period

7. PERFORMANCE GUARANTEE AND SECURITY DEPOSIT

Performance Guarantee: *The successful Tenderer on receipt of the Work Order shall deposit an amount equal to 5 % (five percent) of the contract value, as Performance Guarantee.* This amount shall be paid to the credit of Rubber Park India (P) Ltd. in the account No. 57042660807, at State Bank of India, Valayanchirangara branch, IFS code - SBIN0070558 and shall execute an Agreement for the work in required non-judicial stamp paper in the format given as "Articles of Agreement" within 5 (five) days from the date of work order.

The Performance Guarantee shall become due for discharge only after the completion of defect liability period of 18 months (as per clause (9) below) from the date of completion of the work and issue of a final acceptance certificate by the Engineer, settlement of dues to the Rubber Park India (P) Ltd.

If the successful bidder fails to commence the work within the prescribed time specified in the contract, the Company/Owner shall forfeit the Performance Guarantee furnished for this work.

All compensation or other sums of money payable by the contractor to the Company/Owner under terms of this contract may be deducted from any sums which may be due or may become due to the contractor by the employer on any account whatsoever.

8. MATERIALS BROUGHT BY THE CONTRACTOR.

All materials brought by the contractor for use in the work shall be in good condition of approved brand and quality and shall be presented for inspection to the Engineer in Charge of the company and if rejected for any reason the contractor shall replace it at his cost.

9. DEFECT LIABILITY PERIOD / MAINTENANCE PERIOD

All the works carried out by the contractor shall be guaranteed for a period of 18 (Eighteen) months from the date of completion and taking over. In case of any defect in the work carried out of poor workmanship or material quality observed during the guarantee period of 18 months, the same will be rectified by the contractor free of cost to the company immediately on intimation. In case the contractor fails to rectify the defects to the satisfaction of the company, same will be got done by the company at the risk and cost of the contractor and the cost will be recovered from the performance guarantee furnished or any other dues payable to the contractor.

10. SAFETY MEASURES

The contractor has to make his own arrangement to ensure safety of the workers deployed by him. He has to provide all personnel safety appliances like safety helmet, safety belt, safety shoe etc. He has to follow the instructions given by the safety officer of Company/Owner.

11. CLEARANCE OF SITE ON COMPLETION OF WORK

On completion of the work the contractor shall remove all temporary structures, debris etc., from site and hand over the site at which he has worked in clean condition. Completion date of work will be treated as site clearing in all respects.

12. TIME OF COMPLETION OF WORK.

The period of work shall be 7 days from the date of Agreement. If there is any delay in work, penalty @ 1.5% on the contract value per week of delay to be computed on per day basis, subject to a maximum of 10% will be recovered from the Contractor.

13. TERMS OF PAYMENT

- A. Payment within **10 (Ten)** days against satisfactorily completion of work and submission of GST invoice.
- B. The payment to the Contractor for the performance of the works under the contract will be made by RPIPL as per the guidelines and conditions specified in the contract after making statutory deduction like income tax, KCWWF, levies, duties etc. and any other deduction recommended by the Engineer-in- Charge.
- C. All payment made during the Contract shall be on account payments only. The final payment will be made on completion of all the works and on fulfillment by the Contractor of all his liabilities under the Contract. Any tax omitted, to be deducted in the final bill shall be deducted from the Performance Guarantee furnished for this work, if required . The Contractor / Agency shall submit the invoice in GST format. **GST portion of the invoice will be released only after reflection of the same in RPIPL's GSTR 2B.** The RPIPL Engineer in Charge's certificate of measurement shall be accepted as final and binding on all parties.
- D. Billing procedure: The contractor shall prepare and submit the bill showing quantity executed as per the accepted schedule along with the detailed measurement sheets in two copies. The bills shall be submitted on completion of work. It is to be noted that as far as possible the Contractor will submit the bill after joint measurements and certified by the Engineer-in-charge. This is to expedite the billing procedure.
- E. Measurements shall be recorded as per the specifications in the accepted schedule mentioned in the work order issued as a single job. Engineer-in-charge shall be fully authorized and entitled for checking the measurements quantitatively and qualitatively as recorded in the measurements Books/Bills.
- F. Dispute in Mode of Measurement: In case of any dispute as to the mode of measurement not covered by the contract to be adopted for any item of work, mode of measurement as per latest Indian standard code shall be followed and the decision of the Engineer-in-charge shall be final.

14. WATER AND ELECTRICITY

Water and electricity, if required for carrying out this work, shall be made available to the contractor free of cost upon request.

TECHNICAL SPECIFICATIONS

The installation and dismantling works of the new and old pumps shall be carried out at site in accordance with the relevant guide lines and instruction manuals/specifications of the pump manufacturer/supplier for the proper installation of pump and as per the direction and satisfaction of Engineer in charge or the RPIPL officers at site for facilitating the proper commissioning of the new pump.
